strength, although the price of it is her preparation for maternity.

Thousands of mothers who have used Dr. Pierce's Favorite Prescription in anticipation of the baby's coming state that it gave great physical ease and comfort during the period of waiting, and made the baby's advent practically

"I will endeavor to tell you of the many benefits I have derived from taking Dr. Pierce's Favorite Prescription," writes Mrs. B. E. Robertson, of Medicine Lodge, Barber Co., Kans. "In the fall of 1899 I was expecting to become a mother and suffered terribly with pain in the back of head; in fact, I ached all over. Suffered will awful bearing-down pains; I was threatened for weeks with mishap. A lady friend told me to use Dr. Pierce's incdicines. She had taken them and felt like a new woman. I began using the 'Favorite Prescription' and took four bottles before my baby came and two afterwards. I suffered almost death with my other two children, but lardly relaized that I was sick when this baby was born, and she weighed twelve and one-oquarter pounds. She is now eleven months old and has never known
